		Male	36	33	42	41	37	37	
		Female	40	38	43	47	56	38	
	AP Test Taken (% tested)	Overall	54	64	57	51	56	19	With the exception of 2+ races and special education students, significantly fewer students are taking the exams associated with AP courses which means they cannot qualify for college equivalent credits. This is also a sign that some students are being given access to AP at higher rates but many of them are not being given the opportunity to test.
