	AP Test Taken (% tested)	Overall	73	81	58	68	71	31	Fewer students overall are taking exams associated with AP courses which means they cannot qualify for college equivalent credits. IEP, ELL, Asian and 2+ races increased while all other students groups declined. This is also a sign that some students are being given access to AP at higher rates but many of them are not being given the opportunity to test.
